

Patients Concession

Indian Railways has special amendments for the people suffering from severe health problems. Patients concession is provided to the patient as well as the escorts are provided the concession travelling for the treatment or periodic check up. The cancer patients are provided 100% concession while travelling in the train in sleeper and third AC on the ticket fares for railway reservation.

The persons suffering from **Thalassemia, Heart patients, Kidney patients, Haemophilia Patients, T.B./Lupas Valgaris, Non-infectious Leprosy patients, AIDS patients, Ostomy patients, Aplastic Anaemia and Sickle Cell Anaemia** can avail the patients concession while travelling for treatment/periodical check-up to recognized hospitals by Mail/Express Trains.

Concession is given from **50% to 100%** on the ticket booking. Patients need to show their identity proof while travelling in the trains with their medical documents.

If you are travelling with a patient suffering from any severe disease take the advantage of these railway fares for their betterment. For more details you can visit official website of Indian Railway.
